

*What a wonderful idea! Memories of the Kingsbury community.*

*I have not moved far...Kenton! My memories are vivid. My late parents were stalwarts of the shul, Thelma and Eddie Stuart. My father was Secretary for many years. Prior to that I remember Hebrew Classes held in Eden Lodge after school on Tuesdays and Thursdays and Sunday mornings.*

*Sticky buns and orange squash were sold prior to the class. Spencer Nathan was my teacher!*

*Of course those who went to Primary and Secondary schools in the area will remember Kosher dinners. Fab meals for a shilling!*

*I also went to Kingsbury Youth Club which was held in the shul. As a youngster there was Bnai Akiva often supervised by the Vanson girls.*

*My brother , Simon, now living in Israel was an active member of the shul until he made the move to Israel, like so many past members*
