

*I read through the Kingsbury Synagogue website with some nostalgia. My parents, Daphne and Stanley Maynard, have been members of the shul since 1948, and I lived in Kingsbury from 1950 to 1975. I went to the Kingsbury Synagogue Kindergarten in 1954 and the Kosher meals in the shul when I was at Kingsbury Green School. I am celebrating the 40th anniversary of my Barmitzvah this Shabbos Bereishis - it took place in the old shul, in what is now the communal hall.*

*Best wishes,*
